\*OPENING PRAYER

Theresa Clarke

In times of doubt and questionings, when our belief is perplexed by new learning, new teaching, new thought, when our faith is strained by creed, by doctrines, by mysteries beyond our understanding, give us the faithfulness of learners and courage of believers in thee; give us boldness to examine and faith to trust in all truth; patience and insight to master difficulties; stability to hold fast our tradition with enlightened interpretation, to admit all fresh truth made known to us, and in times of trouble to grasp new knowledge really and to combine it loyally and honestly with the old; insight to refrain from stubborn rejection of new revelations and from hasty assurance that we are wiser than our fathers. Save us and help us, we humbly beseech thee, O Lord.

PSALTER (UMH 748)

Psalms 16:5-11

The congregation will follow the choir in singing musical response #2.
